# SUSTAINABLE DEVELOPMENT GOALS (SDG)

## SDG LOGO, INCLUDING THE COLOUR WHEEL, PLUS 17 SDG ICONS • GUIDELINES FOR USE

THESE GUIDELINES MUST BE PROVIDED TO REQUESTERS.

WHENEVER THE SDG LOGO AND/OR ICONS ARE UPLOADED ON THE INTERNET, THESE GUIDELINES MUST BE UPLOADED ON THE SAME PAGE.

### I. DESCRIPTION

The United Nations has commissioned seventeen (17) icons and the SDG logo, including the colour wheel, to graphically promote awareness of the Sustainable Development Goals adopted by the Member States of the United Nations by resolution A/RES/70/1 of the General Assembly of 25 September 2015.

### II. USE OF THE SDG LOGO AND 17 ICONS

#### Use of the SDG logo [Version 1 with the UN emblem] and 17 icons by United Nations offices, Funds and Programmes and other subsidiary organs and organizations of the United Nations System

United Nations offices, Funds and Programmes and other subsidiary organs and organizations of the United Nations System may use the SDG logo [Version 1 with the UN emblem] and 17 SDG icons without obtaining prior approval from the UN Department of Public Information (DPI), except for when uses other than those described in these guidelines are requested (see page 19). However, for reporting purposes, DPI should be informed of events and information materials for which the SDG logo and the icons are being used including, *inter alia*, publications, posters, brochures, and videos.

The 17 SDG icons may be used together or as individual icons. Each icon must be used in its entirety, including with the text describing the related SDG (see page 48). Moreover, if the UN office, Fund and Programme or other subsidiary organ or organization of the United Nations System has its own specific logo, the latter should be displayed side by side with the SDG logo and icon(s) (see page 22).

#### Use of the SDG logo [Version 2 without the UN emblem] and 17 icons by non-UN entities

Entities outside the UN System, including Governments, intergovernmental organizations, not-for-profit organizations, and private sector entities, may use the SDG logo [Version 2 without the UN emblem] and 17 SDG icons in accordance with the requirements outlined below and provided that each entity submits the required documentation.

## 17 icons

The 17 SDG icons are intended for informational purposes only.

Informational uses are those that are:

- Primarily illustrative;  
and
- Not intended to raise funds.

The icons should not be used for the promotion of products or services or for any fundraising activities.

The 17 SDG icons may be used together or as individual icons. Each icon must be used in its entirety, including with the text describing the related SDG (see page 48). Moreover, the SDG icon(s) cannot be used alone but must be displayed side-by-side with the logo of the entity (see page 41). The logo of the entity must be given preeminence vis-à-vis the icon or icons.

The following sentence must be included below or in the proximity of the entity's logo: "[the name of the entity] supports the Sustainable Development Goals" or: "[the name of the entity] supports the SDGs."

### **SDG logo [Version 2 without the UN emblem], including the colour wheel**

The SDG logo [Version 2 without the UN emblem], including the colour wheel, may be used for both informational uses as described above and fundraising purposes.

### **Fundraising uses of the SDG logo [Version 2 without the UN emblem], including the colour wheel**

Fundraising uses of the SDG logo [Version 2 without the UN emblem], including the colour wheel, are those that are:

- Intended to raise resources to cover costs of activities in support of the SDGs.

With respect to fundraising uses, the SDG logo must be used in its entirety.

Alternatively, the colour wheel from the SDG logo may be used alone without the SDG language and additionally as further set forth in Section III, below.

The SDG logo or the colour wheel cannot be used alone but must be displayed side-by-side with the logo of the entity. The logo of the entity must be given preeminence vis-à-vis the SDG logo or the colour wheel.

When using the SDG logo, the following sentence may be included below or in the proximity of the entity's logo: "[the name of the entity] supports the Sustainable Development Goals" or: "[the name of the entity] supports the SDGs."

The United Nations emblem cannot be used by the entity.

## **III. USE OF THE SDG COLOUR WHEEL**

The SDG colour wheel may be used by UN entities (see page 24) and non-UN entities (see page 39) as illustrated in these guidelines.

The following sentence may be included below or in the proximity of the non-UN entity's logo: "[the name of the entity] supports the Sustainable Development Goals" or: "[the name of the entity] supports the SDGs."

UN and non-UN entities wishing to integrate the SDG colour wheel into a separate logo design (see page 19) must provide the following information for advance written permission by the United Nations Department of Public Information:

- A short statement of identity (nature of the entity and its objectives);  
and
- An explanation of how and where the SDG colour wheel will be used, including the names of countries/territories where the SDG colour wheel will be used, and duration of its use.

#### **IV. LENGTH OF USE OF THE SDG LOGO AND 17 ICONS**

Unless otherwise advised by the United Nations by general or specific notice, the SDG logo, including the colour wheel, and 17 icons may be used from **1 January 2016 to 31 December 2030**. This period refers to the timeframe within which the Sustainable Development Goals should be met. The SDG logo, including the colour wheel, and 17 icons may be used beyond **31 December 2030** in reference to publications about the SDGs.

#### **V. LIABILITY**

All entities wishing to use the SDG logo, including the colour wheel, and 17 icons for the purposes specified herein must agree to the following provisions:

- The entity confirms that it will use the SDG logo, including the colour wheel, and 17 icons only as permitted by these guidelines.
- The United Nations does not assume any responsibility for the activities of the entity.

#### **VI. DISCLAIMER**

- The use of the SDG logo, including the colour wheel, and icons by an entity does not imply the endorsement of the United Nations of such entity, its products or services, or of its planned activities.
- The SDG logo, including the colour wheel, and icons may not be reproduced for the purpose of self-promotion, or for obtaining any commercial or personal financial gain.
- The United Nations will not assume any responsibility or liability arising from the translation of the text of the SDG icons into non-UN official languages.
